the rabies law killed let out gasps of bewilderment. Opponents Present Opponents of the rabies law, known as the Torrance Citizens Committee, are led by Mrs. Eileen Goetz, 5029 Milne dr., and S. W. Sparrow, 798 Amapola.

Drale and Blount continued their opposition to the rabies law despite communications to the city from the California Department of Public Health,

regarding the seriousness of the rabies epidemic and despite a favorable ruling by Attorney General Pat Brown of the State Department of Justice on the legality of an area-wide quarantine of dogs unless they have been vaccinated.

"One might conclude that the proposed orders will cause undue hardship on dog owners," the Attorney General wrote in part. "We do not believe such argument valid. As is stated in 2 Am. Jur. 719, The police power of the state has been exercised to regulate and control dogs to a greater extent than any other class of domestic animals and because of their tendency to revert to their savage state and their susceptibility to hydrophobia (rabies), it is well settled that they may be subjected to peculiar and drastic police regulations . . ."

The State has given Los Angeles county until October 2 to take action against rabies or

Saxon ... High ... Lights

By BONNIE WILLIAMS

The Saxon varsity football team will make history this Friday night when they clash with Artesia High school in their first league game of the season. The game will be held at the Torrance high stadium and general admission will be \$1.00 and students 25 cents with A.S.B. card.

We have a real fine team and they have shown much power and ability during their practices. A large crowd is anticipated to help support the team at their first performance. Remember kids, your cheering will spur them on to victory.

The Bee team also make their first appearance tonight with Jordan high and although not all of the students will be able to attend we are all rooting for you, so do your best and make North high proud of you.

After The Game The YWCA will be the setting for the dance following the game. Sponsored by the seniors the theme will be the "Kick Off" with the hall decorated accordingly. It will be held from 10 to 11 for all North high students. Tickets are 25c.

Pre-Game Ceremonies The first football rally was held Tuesday at noon in the quad for all Saxons where the song queens, Majorettes, and cheer leaders gave a sneak preview of their routines for the game this Friday.

The song queens and majorettes performed to the music of the North high Band, while the cheer leaders led the crowd in a few yells. All of the groups who organized and participated in this rally did a terrific job and everyone is looking forward to the next rally on Friday.

Love Bug Bites! The love bug seems to have been up to his old tricks again and has added quite a few Saxons to his long list. Among those newly engaged are Ann Rutledge to Jim Bridges class

eral policy is unchanged. He added:

"We are simply making good on commitments more than two years old. If the proposal came in today we wouldn't touch it."

Flemming and others emphasized, however, that the contract terms are advantageous to the Government and that the Harvey firm has demonstrated technical ability of a high order.

In the settlement the company obtained, in addition, Federal tax benefits to help its

financing, as agreed in December, 1952; plus a guarantee—agreed in May, 1953—that the Government will buy up to 270,000 tons of its early aluminum output and if necessary make advance payments on this output to help the firm finance construction.

and friends of the members will be present to see services of the various members auctioned off to the highest bidder. The last two Sundays have been devoted to redecorating the hall. Mrs. Richard Hobbs provided lunch for the workers on the first Sunday and last Sunday's meal took the form of a potluck with the wives bringing the food.

Members at the state convention were J. A. Evans, secretary, and Dan Hutchison, junior governor.

Rezoning Proposed

The Planning Commission recommended for approval the rezoning of property south of Carson St., and east of Crenshaw Blvd., with seven conditions attached.

The McDonald Development Company wanted the property zoned for light industrial use so that it might utilize a 14-acre tract formerly used by the Dresser Mfg. Co. Most of the property is zoned for heavy manufacturing use.
